

# Common Human Resource Information Standards

## Government Quarters Adequacy Level

Government Quarters Adequacy Level captures whether the housing assigned to the DoD Military Service member meets the standards of government quarters based on the member's pay grade.

### Permitted Values

Does not exceed the minimum Service standards for a Member's pay grade without dependents

Exceeds the minimum Service standards for a Member's pay grade without dependents

### Structural Business Rules

A DoD Military Service member occupying single type government quarters that do not exceed standards based on the member's pay grade retains eligibility for Basic Allowance for Housing (BAH) With Dependents provided that the member's dependents do not occupy government quarters, the quarters assigned are the only quarters available, and the quarters are not suitable for joint occupancy, or if suitable for joint occupancy the quarters are jointly occupied with other members permanently assigned to the permanent duty station.
